The first paragraph should read: *'Established in 1988, it is a network of 42 national and regional federations which together gather about 43,000 public, social and cooperative housing providers in 22 countries. Altogether they manage over 26 million homes, about 11% of existing dwellings in the EU.'*

Page 38 (Croatia):

The first paragraph should read: *'According to the latest Census, in 2011 Croatia had a population of 4,290,612 inhabitants, living in 1 520 026 private households located in 1,912,901 dwellings for permanent habitation.'*

In the first and third paragraph under 'Policy Developments' the correct name of the program indicated as 'Socially-supported housing construction programme-POS' is actually 'State Subsidised Housing Construction'.
